Where ambition meets authenticity

At Crosfields Seniors, academic excellence is more than just results, it's about inspiring curiosity, nurturing individual strengths, and preparing pupils for a future full of possibility. Our approach is ambitious, personalised, and rooted in a culture of high expectations and joyful learning.

We don't just prepare pupils for the journey ahead - we teach them to embrace it. Our pupils are boundless, authentic, and ready to shape their futures with confidence. With a nurturing community, inspiring facilities, and a forward-thinking curriculum, Crosfields is a place where young people thrive.

We celebrate innovation, diversity, and opportunity. Pupils are encouraged to be curious, courageous, and ambitious as they navigate these formative years. Our agile learning culture flexes to meet individual needs, while our inclusive community supports every pupil to feel known and valued.

Crosfields Seniors is a place where individuality is cherished, and every pupil is empowered to discover who they are and run with it.

“At Crosfields Seniors we get so many opportunities. It was amazing starting the year with a residential.”

— Year 7 pupil

Academic and curriculum

Our academic programme is broad, rigorous, and tailored to each pupil. We stretch and support every learner, helping them discover their strengths and make informed choices. From creative writing to computational thinking, our curriculum inspires curiosity and builds future-ready skills.

Digital learning is embedded across subjects, equipping pupils to think critically, collaborate effectively, and use technology responsibly. Our value-added score places us in the top 10% nationally, reflecting our commitment to helping every pupil exceed expectations.

“We appreciate the balance between challenge and support, as well as the clear structure of the school day and assessments. It creates a strong and motivating learning environment.”

— Parent

Pupils benefit from a wide choice of GCSE subjects and the flexibility to tailor their studies to their interests. Combinations include Psychology, Business, Economics, and many more, empowering pupils to pursue their passions and explore new areas.

Our teaching is led by subject specialists who challenge and support pupils to achieve their personal best. We foster independent thinking, articulate communication, and creative problem-solving, preparing pupils not just for exams, but for life beyond school.

Pastoral and wellbeing

Wellbeing is central to life at Crosfields Seniors. Whether pupils join in Year 7 or earlier, they are welcomed into a nurturing environment where they feel safe, supported, and known. Our dedicated pastoral team works closely with families to build strong relationships and provide tailored care throughout each pupil's journey.

The House System plays a vital role in fostering belonging and peer support, with pupils joining Corylus, Ilex, Quercus or Salix. Led by Heads of House and pupil ambassadors, this structure promotes teamwork, resilience, and leadership through regular activities and events.

At Crosfields, it is our job to ensure that every pupil is **happy, kind, confident** and **successful**.

We foster resilience,
emotional intelligence,
and self-belief.

Co-curricular and sport

Our co-curricular programme is rich and diverse, offering everything from musical theatre and STEM clubs to enterprise challenges and outdoor pursuits. Pupils explore their interests, build friendships, and develop confidence.

Pupils benefit from a vibrant enrichment programme that nurtures academic, creative, and personal growth. From volunteering and podcasting to computing and DT, pupils engage with a wide range of opportunities. Qualifications such as the Higher Project Qualification, Level 3 Additional Maths, and the DofE Bronze and Silver Awards are available.

Sport is inclusive and energetic, with over 40 acres of outdoor space and a state-of-the-art sports centre. Every pupil finds their stride, whether competing or trying something new, supporting wellbeing and confidence across the school.

GCSE success and destinations

In 2025, our second cohort of Year 11 pupils sat their GCSEs, achieving outstanding results that firmly placed Crosfields on the map as one of the top-performing senior schools in the area.

At a glance 2025:
